**RESPONSE TO NOTICE TO FILE MISSING PARTS**

BOX MISSING PARTS  
Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Applicant hereby resubmits the RESPONSE TO NOTICE TO FILE MISSING PARTS mailed to the Patent Office on March 13, 2001. Please contact the undersigned should you have any questions regarding this matter.

This letter is in response to the NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION dated February 12, 2001 (copy enclosed) in the above-identified application. The Commissioner was authorized by the November 2, 2000 transmittal letter in this application to charge any "required or necessary fees to deposit account 01-0885".

Additionally, a copy of the declaration in the parent application SN 09/504,538 was enclosed with this application when it was filed. Another copy of the declaration is enclosed.

Since the Commissioner was authorized when this application was filed on November 2, 2000 to charge any required fee to our deposit account and the additional \$20 basic filing fee was not so charged due to patent office error, applicant therefore does not believe that any late filing fee is due.

Should the office disagree, please charge any required or necessary fee to our Deposit Account No. 01-0885.

Respectfully submitted,

Stephen Donovan
